June 13, 2004

The American Legion Nevada Boys' State  
P.O. Box 310  
Carson City, Nevada 89701

Dear Friends:

It gives me great pleasure to welcome everyone attending the American Legion Nevada Boys' State 2004 program.

Over 200 years ago, our forefathers came to the United States to fulfill their dreams. They worked and fought hard to create a country that would provide them with the freedom to live a good life. I commend American Legion Nevada Boys' State for their efforts to promote development of leadership and pride in American citizenship by educating and encouraging participation in the process of our government. The information and instructional programs will provide an understanding of the importance of how our government functions and how citizens can fulfill their civic duties.

You truly represent the hopes and dreams of our country. It takes every individual to make our country successful. Please continue the good work you do and may your energy and ideals lead you to strive for a better community, better Nevada and a better country.

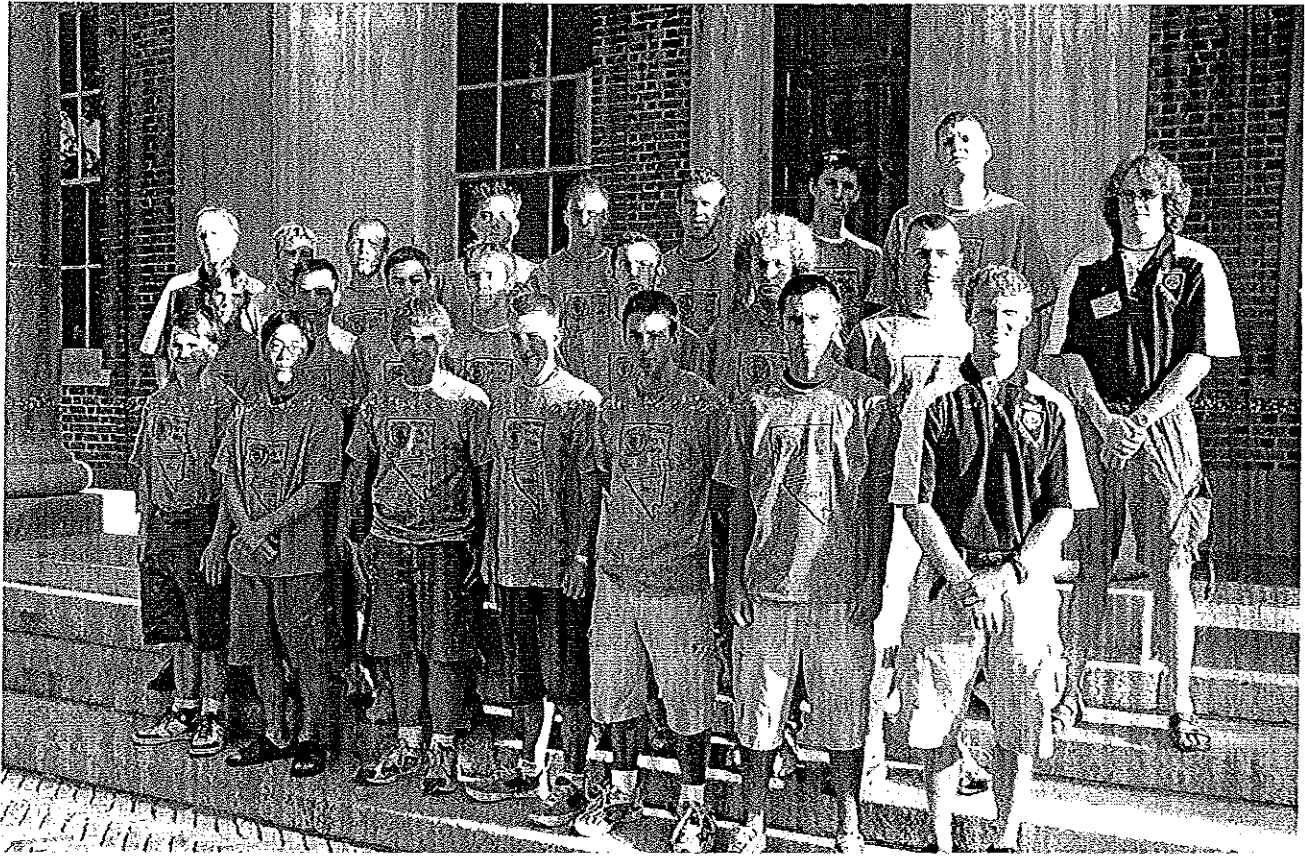

I hope you have fun learning about the structure and operation of our government.

Sincerely,

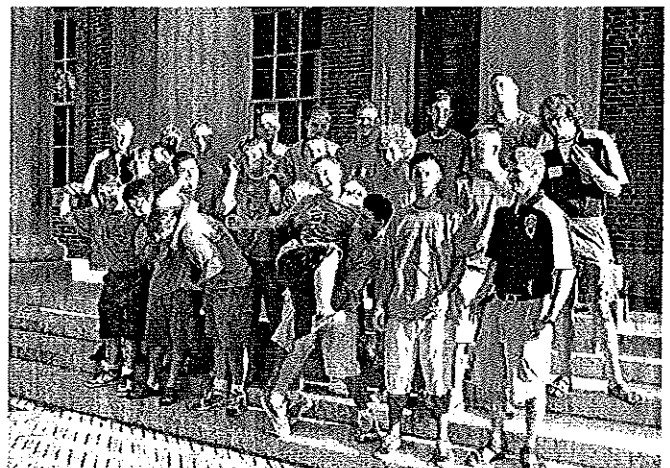

SHELLEY BERKLEY  
Member of Congress
